

Calling all Artists and Businesses...it's the time of year to be artistic, charitable and businesses to want more foot traffic. Let's combine them all to benefit charities, businesses and the artists. Artists, please make some wonderful Star object and themed crafts, Christmas art, decorations, murals or paintings. Businesses you want more foot traffic, take the artists up on allowing their Silent Auction items to be placed in your businesses. Then when the tally of the best donations come in, the Artists making the pieces will be given prizes for the top 3 best art pieces; the business will get increased foot traffic and three charities will receive the benefit of the silent auction donations decided by the Star Chamber and Lions Club. Star art will be in businesses from 12/3 to 12/9/15. Prizes, awards & checks will be given at the Festival of Star Extravaganza's Gala Event @ 7pm on Thurs. 12/10 at a place to be announced.
